

Dear Friends,

The service will take place at Emmanuel Church, Lindsey Chapel, 15 Newbury Street, Boston. We look forward to seeing you there!

**We have arranged Discounted Parking at the Back Bay Garage. Driving address for the GPS is 199 Clarendon Street.** If you have GPS or Google Maps, that will take you right to the garage entrance. Parking is \$8.00 for up to 11 hours, which will more than cover time for the service, anyone who is there for set-up, and dinner afterwards. Take a ticket at the garage and collect a parking voucher at the service. Put the ticket from the garage in the machine first when paying. Pedestrian Access to the Garage is at 500 Boylston Street, at the corner of Clarendon Street. Park on the side of the garage on any level that has green bands painted on the support columns as opposed to red. Doing so will position your car closer to the elevators that will be open all weekend. The ground level is designated as Star 1, a 5-pointed star. The parking levels are P1-P3, going down.

When getting off the elevator at street level, turn left to go through the exit door and walk straight toward the street (Boylston). If you were to turn around to look back at the building, you would see the 500 Boylston address and Rebecca's, pictured in the photographs below. Walk to the right on the sidewalk along Boylston St. to the next intersection, which is Berkeley St. Turn left to cross Boylston and go to the next intersection, which is Newbury St. Cross over to the other side of Newbury St. and turn right. Continue walking straight on Newbury Street, to Emmanuel Church at number 15 Newbury Street. The Lindsey Chapel entrance is the first entrance you will see.

All Back Bay parking meters are \$3.75 per hour. If you use them, pay strict attention to all the signs for any restrictions and time limits.

**Arlington Street is the nearest T station to the Church, about a 5 minute walk. Back Bay Station is about a 10 minute walk.**
